

MUNICIPALITY OF NEO-VERIDIA
Waste Management & Sorting Ordinance (2026)
Effective Date: February 1st, 2026

Department of Environmental Services

ARTICLE I: CLASSIFICATION STANDARDS

Pursuant to the “Clean City Act,” all residential and commercial waste must be separated into four streams. The color-coding standards are legally binding.

- BLUE BIN (Recyclables)** Includes clean paper, cardboard (flattened), glass bottles, metal cans, and hard plastics (PET/HDPE). *Note: Pizza boxes with grease are NOT recyclable.*
- GREEN BIN (Organic/Kitchen)** Includes food scraps, fruit peels, tea leaves, and small garden trimmings. *Requirement: Must be drained of excess liquid before disposal.*
- RED BIN (Hazardous)** Includes batteries, light bulbs, expired medicines, paint containers, and mercury thermometers.
- GREY BIN (Residual)** Includes used tissues, ceramics, cigarette butts, diapers, and non-recyclable plastics.

ARTICLE II: COLLECTION SCHEDULE & COMPLIANCE

1. Waste must be placed at the designated curb side between **6:00 AM and 8:00 AM**.
2. Bins placed outside designated hours constitute a “Time Violation.”
3. Mixing categories constitutes a “Sorting Violation.”

ARTICLE III: PENALTIES AND FINES

Enforcement officers will conduct random inspections. Fines are cumulative.

Table 1: Schedule of Fines (2026)

Subject	Violation Type	Fine Amount (NVD)
Individual	First Offense (Warning)	\$0.00
Individual	Second Offense (Improper Sorting)	\$50.00
Individual	Illegal Dumping / Wrong Time	\$100.00
Commercial Entity	Mixing Hazardous Waste	\$5,000.00
Commercial Entity	Failure to Separate	\$1,000.00

ARTICLE IV: SPECIAL PROVISIONS

Hazardous Waste (Red Bin) is collected on a strictly limited schedule due to safety protocols. Residents must refer to their specific Zone Schedule for dates.
